School Newsletter

MONTHLY CHARACTER TRAIT

Etiquette: Rules for polite behavior in society or a specific situation.

“Manners”

March brings us flowers, sunshine, and a new level of energy and excitement as we head into spring!

With the change in weather also comes a change in behavior and outlets for all that energy! Sitting still becomes harder, goofing off gets easier, and the ability to focus soars out the window on the spring breeze...

As adults, we can take for granted all of the little rules we learned that make our experiences pleasant...Kids often need small reminders of what is acceptable in different social situations: how to wait in line, how to get an adult's attention, or even how to introduce themselves!

This month we'll cover all this and more as we work on the social skills we call etiquette!

Upcoming Events:

March 12th: Daylight Saving Time! Remember to set your clock forward one hour!

March 17th: St. Patrick's Day!

March 18th: All Ranks Test—Morning classes cancelled. Join us for an All Ages Group Class at 1:30!

March 20th: Spring Equinox!

March 24th-March 26th: Closed for the weekend, but we'll be open regular hours during Spring Break.

“It doesn't get easier, you just get better!”

Kensho Martial Arts is proud to introduce

KENSHO KID ALL STARS

Giving good effort and practicing hard are the backbone to attaining skill and rank—higher level of effort=higher level of achievement. Designed with your child's age and rank in mind, Kensho Kid All Stars is a practice program that provides the framework to help your child develop good practice habits outside of the dojo! All materials are free to the student, and incentives are provided to keep students motivated. If you or your child is interested in joining Kensho Kid All Stars, please see an instructor for details!

Congratulations to our January Black Belt

Student of the Month...

David H.

Fantastic job working hard to set the example
for how to treat others in class!

Can you help us out!?

One of the best ways for others to learn about us is through referrals and reviews! In addition to letting others know about your personal experiences with our school, Google & Facebook reviews help us get noticed in an online search!

If you have a Google and/or Facebook account, we'd love it if you could rate us and say a few things about the school, level of instruction, or anything else that might be helpful to someone researching Kensho!

Thank you!
